- The applicant Unit is expected to provide all necessary information and support so as to ensure an accurate, fair and unbiased desktop assessment.
- The Certificate of Assessment does not imply certification of compliance to the COVID guidelines, as practice of these elements is a continuous process.
- The Certificate of Assessment generated at the end of the desktop assessment is based on the information provided by the applicant MSME. It is an assertion of the fact that the MSME Unit has exhibited intent towards ensuring safety and hygiene and to mitigate associated risks.
- This is a desktop assessment based on the WASH Standard and not a "Certification" hence the outcome in the form of a "Certificate of Assessment" will not have any validity.
- While every attempt shall be made to ensure the veracity of the assessment report, Ministry of MSME or QCI (or its accredited bodies), will not be responsible for any errors or omissions, or for the results obtained from the use of the information contained herein. All information in the report shall be provided "as is".
- The assessment report provided shall pertain only to the systems and processes of the Unit related to COVID-19 Hygiene & Safety as mentioned in the WASH Standard.
- The report shall be for the purpose of summarizing the outcomes of the desktop assessment as per the information provided by the applicant Unit.
- The report shall summarize the outcome of assessment as observed from the information/documents uploaded. The Ministry of MSME or QCI (or its accredited bodies), shall not be held liable for any deviation that may arise at a later date at the Unit that has been assessed.
- The assessment report shall be made for the exclusive use and benefit of the applicant assessed and Ministry of MSME or QCI (or its accredited bodies) shall not accept any liability that may arise if this report is used for any alternative purpose than the intended one nor to any third party in respect of the assessment report.
- Ministry of MSME or QCI (or its accredited bodies) does not represent, warrant, undertake or guarantee that the use of information or guidance (if any) in the report will lead to any particular outcome or result.
- By proceeding, the applicant Unit certifies that it complies with & fulfils all relevant & applicable regulatory & statutory norms pertaining to the functioning of the unit and those related to COVID-19 regulations (including the latest SOPs/Guidelines of the Local/State Government and by relevant regulatory authorities). If at any stage the applicant is found to be non-compliant with the above and in case information is not disclosed by the applicant (that could alter the findings outlined in the report), Ministry of MSME or QCI (or its accredited bodies) reserve the right to withdraw or amend its findings and conclusions.
- The Certificate of Assessment will be auto-generated and is governed by the disclaimer agreed by the applicant.
